

CAPABILITY STATEMENT

COMPANY PROFILE

F&M Soler Transportation LLC DBA Southline Freight provides dependable transportation and logistics solutions for government agencies, municipalities, commercial organizations, warehouses, and institutional customers. We support scheduled, dedicated, time-sensitive, and specialized freight movements with a strong focus on reliability, communication, safety, and service execution.

Southline Freight is positioned to support recurring routes, final-mile requirements, airport freight, overflow capacity, and project-based transportation needs throughout Florida and beyond.

MISSION & SERVICE COMMITMENT

Mission: To provide responsive, dependable transportation services that help customers move freight and critical deliveries safely, efficiently, and on time.

Service Commitment: Every shipment matters. We emphasize clear communication, professional execution, flexible capacity, and dependable delivery from pickup through final destination.

CORE COMPETENCIES

Dedicated Transportation: Scheduled routes, recurring lanes, dedicated capacity, and contract transportation.

Freight Transportation: LTL, FTL, local and long-distance freight movement.

Final Mile & Courier: Final-mile delivery, scheduled courier service, inside delivery, and coordinated pickup.

Expedited Services: Time-sensitive freight, hot-shot transportation, and urgent delivery support.

Specialized Services: Liftgate service, white-glove delivery, trade show logistics, airport freight pickup and delivery.

Capacity Support: Overflow transportation and additional capacity when customer demand exceeds available fleet resources.
